Our Journey

In 1972, our journey began with the establishment of Kailash Foods, where we embarked on the path of crafting delectable treats with passion and dedication.

In 2005, Glacier emerged as a premium brand, combining the art of handcrafting chocolates with cutting-edge automation technology, leading to our rise in the chocolate industry.

In 2010, a significant milestone was achieved as we established our factory in Ambarnath, Mumbai, solidifying our presence as Glacier Pvt. Ltd. Innovation and tradition harmonize to create the finest chocolate delights and guided by visionary directors Prakash S Ganwani, Vijay P Ganwani & Suraj P Ganwani.

Milestone

Our story began with a humble 30-square-meter factory, where we meticulously handcrafted each chocolate with love and dedication. Over the years, we have evolved, embracing innovation and technology, while staying true to our heritage of exceptional craftsmanship.
